

Shows without Pat 2012

The schedule of Shows without Moss for the first half of 2012 is being finalized. As dates are confirmed, they will be added to this page.

The following galleries have scheduled shows without Pat. Galleries presenting these special events increase their print inventories and obtain original prints and watercolors. Orders and purchases made at these shows can include requests for special signatures and inscriptions of up to four words on prints. On occasion alterations have been made to the program. We therefore recommend that when you are planning to attend one of these events you call the gallery concerned prior to making your journey. There will be additions to this list as more galleries firm up their schedules for the year; please contact The Moss Portfolio to see if there is a show without Pat in your area.
